

WHATEVER YOUR SCIENTIFIC INTEREST – START AT TCC

From the intricacies of cell structure to the structure of the Earth to the laws of thermodynamics, you will find your path to a four-year degree in science at Tidewater Community College.

TCC's Associate of Science in Science will give you a broad foundation in the sciences. Choose from among biology, chemistry, environmental science, geology, natural science and physics. Your education will be rounded out with courses in the social sciences and humanities.

PROGRAM

ASSOCIATE OF SCIENCE IN SCIENCE

Complete in as few as 4 semesters / 60 credits

This degree prepares students to transfer to a four-year college or university to pursue a bachelor's degree in science leading to careers in fields such as biology, chemistry, dental hygiene, geophysical science, mathematics, medical technology, nursing, pharmacy, and physics. The courses you need will vary based on your area of study and the college you wish to attend.

Tidewater Community College does not discriminate on the basis of race, sex, color, national origin, religion, sexual orientation, gender identity, age, veteran status, political affiliation, genetics, or disability in its programs or activities. Inquiries related to the college's nondiscrimination policies may be directed to the Associate Vice President of Human Resources, 121 College Place, Norfolk VA 23510, 757-822-1708. Gainful employment consumer information is available at tcc.edu/gainfulemployment.
