HEAR FROM EMPLOYEES

"Jobs like cybersecurity, like unmanned aerial systems, like biotechnology, like data collection, data analysis...are the jobs of the 21st century. If we can train our young individuals for these jobs then we can really drive our economy."

– **Gov. Ralph Northam,**
Commonwealth of Virginia

"In my dialogue with other manufacturers in the area, we're all having the same need. Everybody is expanding their manufacturing and everybody has a shortfall when it comes to human resources."

– **Jim Travers, Vice President of Business Operations, Sumitomo Drive Technologies**

"Our manufacturing has been growing at about 20% a year—so obviously we need people. We are running into a problem getting qualified people."

– **Bill Yannetti, President/CEO - Mitsubishi Chemical Composites America**
