STEPS FOR GETTING STARTED

1. APPLY FOR ADMISSION & ACTIVATE YOUR STUDENT ACCOUNT

You can find TCC's free Application for admission at tcc.edu/apply. After you complete the application, you can set up your student account at tcc.my.vccs.edu.

2. SUBMIT THE PREREQUISITE WAIVER

If the TCC course you want to take has pre-requisites, the online prerequisite waiver demonstrates you have met them at your home college or university. Get the form at tcc.edu/prereq.

- You will need to submit a waiver for each TCC course you want to take.
- You will also need to provide an unofficial transcript from your home institution.
- If you plan to transfer credits, consult with an academic advisor at your home institution before enrolling.

3. REGISTER FOR YOUR CLASSES & PAY TUITION

You can browse available class schedules and register for classes through the Student Information System, located in *myTCC*. For more information, visit tcc.edu/enroll.

Financial aid you are receiving at your home institution may be available for your TCC class.

- If you plan on using your financial aid, consult with your home institution's Financial Aid Office to see if you qualify.
